

Required Information for Public CV:

1. All institutions attended and degrees or credentials earned
2. Institutional directory information, such as office address, office phone number, institutional email, and the faculty member's institutional website, if applicable.
3. Statement of teaching and research interests
4. Recent publications or scholarly output

Note: Public CVs should not include personal information about the instructor, such as the home address or personal telephone number.

If you have any questions or need assistance uploading your public CV or Syllabus, contact Curriculum Systems at capa@uga.edu.
